Our key note speaker is **Jill McManigal**, a mother of two, a former school teacher, a local peace activist and the Co-Founder and Executive Director of **Kids for Peace**. Jill and a K4P team recently returned from Africa where they shared their mission to cultivate every child's innate ability to foster peace through cross-cultural experiences, hands-on arts, service, and environmental projects.

Breakout sessions will be lead by professors from San Diego State University and by experienced authorities in a variety of inter-related fields, such as "Restorative Practice," "Ability Awareness," and "Anti-bullying". Interactive simulations will provide hands on experiences for all ages.

Our Mission is to help all participants gain a deeper understanding of peace and conflict resolution in our homes, our schools and community. We envision all of us coming together to share and create a synergistic force to continue our powerful efforts to stop the violence, and to ensure that we have new generations of global peacemakers.
