## PRIMARY PEACEMAKERS PROGRAM

### Teaching Violence Prevention to Our Youngest Students

One Day Workshop for:

Private and Public School Teachers, Counselors, Psychologists, Social Workers, Therapists, Parents, Administrators, PTA/PTO Members, Student Teachers, Graduate Students and Community Organizations.

Sean Chumbley M.A. will lead this course sharing his educational experiences teaching grades K through 5 in San Diego County. Sean has been the Interactions for Peace – Peace Patrol Advisor and Primary Peacemaker Director for many years. His hands-on knowledge enables him to facilitate this interactive workshop with confidence and enthusiasm.

**Primary Peacemakers' lessons are interactive and experiential! They teach positive behavior development and help our children, ages 2 to 9 years old, discover the peacemaker within themselves.**

*“...The Primary Peacemakers Program helps children develop and maintain confidence in their ability to identify and express their feelings and to make wise choices... Through a variety of processes and activities, they learn that they have the power to choose how to respond to ‘upsets’ they encounter and that their choices have consequences...As a parent and active community member, I think the Primary Peacemakers Program is an essential element in the Pre-School through Third Grade experience...”* Jill Milligan, Parent and PTA Vice-President
